Scarlet Revolt is a female-fronted rock band from West Virginia. An aggressive blend of classic rock roots with a heavy, yet melodic modern metal vibe, SR "will restore your faith in rock and roll" per Cincinnati Underground Magazine. Fans often say SR calls to mind the sounds of bands like Blue Oyster Cult, Temple of the Dog, Audio Slave, Heart, Foo Fighters, Stone Pilots, and Black Sabbath with a sprinkling of Rush tossed into the fray.

SR released their debut EP *Awakening* in Dec. 2016 with Factory Fast Records (NYC), and *Cold Town* CD in May 2017 with Von Artists, a Sony Music affiliate (LA/Portland OR). "No Quarter" charted at #4 in May 2017 on Australia's FM radio network. Nashville Music Scene Magazine recognized SR as one of the top 100 American rock bands in 2017.

Band members Eve Marcum Atkinson, Phil "X" Crace, CJ Davis and Phil Hatfield believe that rock music should be loud, melting your face with aggressive guitar riffs and get fans singing along and dancing in the aisles. This makes for an unforgettably fun, and seductive rock and roll show.

SR regularly perform in Memphis, Chicago, Lexington, Nashville, Louisville, Chattanooga, Lexington, Columbus, Charlotte, Richmond, Roanoke, Akron, and more. SR plans to expand touring into the northeastern and western states and Canada during 2018, and plan a fall release for their sophomore CD, *Vengeance*.
